CRUISING

Thank you to Mick & Ken for picking up mid week cruise to Jubilee Lake Daylesford. A great day reported and more picnic cruises requested.

Prior, another picnic cruise to Hepburn Springs was well received by all attendees.

Ray Hill has organised with KRUZE FOR KIDS FAMILY DAY organisers, a dedicated spot for our club. Thanks Ray. Date 3/3/2026 at Langama Park Sunbury. This is a great day and a great fundraiser, Good Friday Appeal for RCH. \$10 per Vehicle & Gold coin Public entry

Be great if we could arrive together, so next meeting we will organise a meet up point.

Set up our awning and have a great day supporting a most worthy cause.

MERCHANDISE

The club has now a decent stock of merchandise (displayed) watch website or contact Alby for what is available and in what sizes.

GENERAL BUSINESS

Discussed the need for keeping our records updated, in case we are audited by Vicroads. This is a requirement.

A fair bit of discussion around this, so it is obvious our committee has to make a rule.

We will liaise with Vicroads, get their take, then meet as a committee and vote on a recommendation for all to follow

LAVERTON BOWLS MEMBERSHIP

Members asked to sign up as social members. We need to support them, as they are a struggling club. They give us cheap prices at the bar and for hall hire. Quite a few benefits being a member. Forms from Ray or Bazz, alternatively, at bar next meeting.
