CAR SHOW 2026 29 March

What a fantastic and successful day. Raised \$4850 for RCH!!!!

Thank you to all of club for assistance and help. These events just don't happen by themselves. Our whole club can be proud of ourselves.

Jim asked about judges. We have 2 independents, Jean Claude from A1 Ceramics and Matt from B.F. Goodrick Hoppers Crossing, plus one committee member overseeing process.

Suggested by Neil that we drop categories in awards and replace with top 6. Committee to consider.

Ray suggested we look into Rocker Cover racing. Committee will have a look and formulate rules and regs. Should be an interesting and fun addition.

As of 2027, car show shall be early March to attempt to encompass all members, but, not every date is going to suit everyone! We can only do our best!!!!

Committee to liaise with members for the date!
